50035 Ark Royal

50044 Exeter

50031 Hood

50049 Defiance

SPECIAL 50049 BOGIE OVERHAUL APPEAL

For 50049 Defiance to continue mainline operation a full bogie overhaul is required. We have already purchased new wheel-sets along with many other parts to allow us undertake the refurbishment. However, to gain the necessary certifications for continued mainline use we will have to use a properly accredited contractor to do the work. This will cost nearly £20,000 in parts, effort, tests and inspections.

Some money has already been allocated, but we need to bridge the funding gap.

Please can you help? As little as £3.00 a month will make a big difference.

That's right, for the price of a pint of beer every month you can play a worthwhile part in this project. And to show our appreciation for your valued contribution, shares purchased this way will be issued on a commemorative certificate at the end of 2010.

With your help we can get '49 back where she belongs. Thank you.

Notes: If we are able to raise more than the target amount, any additional money will be spent on 50049 or our other locos.
Share Certificates are issued four – six months after the Class 50 Alliance's (C50A) financial year-end (31st December).
The Fifty Fund (TFF) operates the share purchase by instalment scheme to enable people to buy shares in C50A.

-----✂-----
I wish to become a shareholder in the C50A, owners of 50035, 50044 and 50049 (shares are £25 each). I understand that owning a share in C50A automatically enrolls the owner as a member of The Fifty Fund (TFF), and commits the shareholder to abide by the terms of the fund's constitution. TFF promotes interest in, and supports financially, the locomotives owned by C50A.
